**Suggested answer:**

That moment it began to rain in buckets. All the parents and mothers and everybody went over and stood right under the roof of the carrousel, so they wouldn't get soaked to the skin or anything, but I stuck around on the bench for quite a while. I got pretty soaking wet, especially my neck and my pants. My hunting hat really gave me quite a lot of protection, in a way; but I got soaked anyway. I didn't care, though. I felt so happy all of sudden, watching the way old Phoebe kept going around and around. I felt so happy, if you want to know the truth. I don't know why. It was just that she looked so damn nice, the way she kept going around and around, in her blue coat and all. God, I wish you could've seen her.
